

NORTHERN LIGHT THEATRE VOLUNTEERS

Volunteers for NLT perform a variety of tasks:

- Board members or committee members
- Bingo and Casino workers
- Front of House ushers
- Bartenders (*get your ASIP training free*)
- Office support or other donated skills! Let us know what you can contribute!

Volunteers see the show for free when volunteering or get a voucher for a complimentary ticket when you work a bingo or casino shift.

You also receive a free meal during your bingo or casino shift. Bingos are held throughout the year at the West Edmonton Mall Caesar's Palace Bingo Hall; transportation can be arranged. Our next casino will be in early 2009.

We are also always interested in meeting potential board or committee members. The Board of Directors meets monthly, so give us a call and we can place you in contact with our board president for more information.

Meet other people who support the theatre community and help us ensure the success of our local theatre!
